

Baldrige Foundation 2018 CFC Instructional Webinar for Volunteers

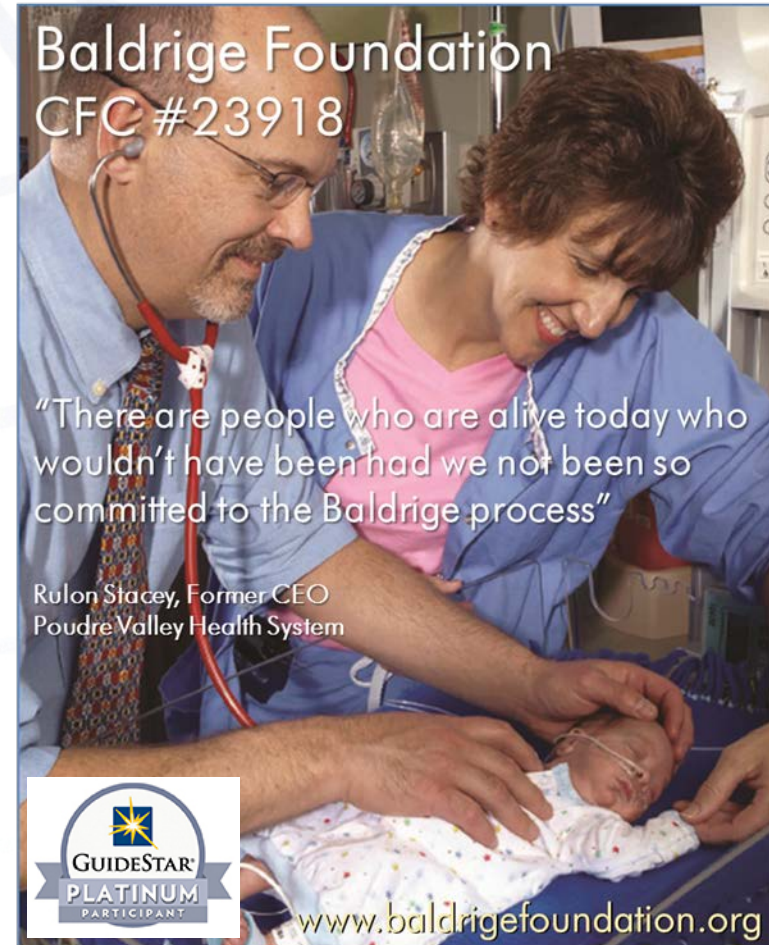

We Make it Possible!

This year the Baldrige Foundation was approved for the Combined Federal Campaign.

We are Charity number #23918.

A Collaborative Fundraising Opportunity for the Enterprise

- **We have a great story to tell!**
- **By working together we can reach more donors.**
- **Alliance programs benefit directly with a 100% revenue share.**

Give a presentation at federal facilities in September, October, November 2018

- 1. Reach out to local federal facilities or military installations and ask if they have a point of contact for their 2018 CFC. The Foundation has also received some requests from around the nation and will forward requests as received for your consideration.**
- 2. Contact the organization's POC and ask if they are hosting a "CFC Kick-off" event and if you can give a presentation.**
- 3. Coordinate the date/time, and give the presentation.**
- 4. Turn in your presentation report to: info@baldrigefoundation.org within 3 days of the presentation.**

The Presentation

- We have posted the presentation with notes pages for Alliance members
- Give the presentation “as is” or you may add a local success story. Use hospital/education examples only, not business or others that emphasize performance excellence – this message is about outcomes – saving lives and educating children!
- Remember you are a volunteer of the Baldrige Foundation, NOT the president/CEO/ED of program XXXX.

Good Morning/Afternoon, my name is: _____

_____ and I am here today as a volunteer for the Baldrige Foundation to talk with you about how we are improving healthcare and saving lives, providing higher quality education for underprivileged children, and strengthening organizations all across America.

The Presentation Report

- We have posted the presentation with notes pages for Alliance members
- A simple 2 minute form to complete
- Email the completed form to: info@baldrigefoundation.org

Baldrige Foundation
2018 Combined Federal Campaign
